September 9, 2008

Subject: Letter of Recommendation

To whom it may concern:

I was very pleased with the professionalism and responsiveness with Renee' and her staff on the beautiful designs and decorations for the lobby at the AT&T building the 2007 Christmas season. She saved us money and made it look as if we spent more! The tenants all loved it as well. Again, for 2008, I have assigned Designbyrenee, Inc., to decorate the AT&T lobby and can't wait to see how beautiful the building will be. I would highly recommend her business to other Senior Property Managers and businesses in the Jacksonville area.

Sincerely,

*Lori L. Thomas, CPM, LEED AP  
Senior Property Manager  
Element National Management*
