Subject: Letter of Recommendation

To Whom It May Concern:

I have had the pleasure of knowing and working with Ms. Renee Davis for better than a year. Ms. Davis is a professional in every sense of the word. It was a wonderful experience to work with her in the decorating of our new home. I value the fact that she was prompt, reliable, and always took the time to listen to what we wanted. One of the most impressive attributes that I observed was that she was always attentive to our specific taste, lifestyle and our budget. Ms. Davis went above and beyond to make our new home the vision we had been building for the last several years.

It is a great honor that I can recommend Ms. Davis and her expertise to you and I know that she will perform to your expectations.
